BERKSHIRE LAWNS—GEO. M. SNOOK & CO.

BERKSHIRE LAWNS!

7 1/2c Yd.

A STRONG POINT.

Look at the smallness of the price. that's ONE of the strong points of these slightly twenty-eight and a half inch wide summer fabrics, each yard of which is honestly worth 10c.

A STRONGER POINT.

Yet this fact would have little weight if these lovely Figured and Striped Lawns were ostracized by Dame Fashion.

THE STRONGEST POINT.

The strongest argument, however, why you should purchase a dress of this desirable material with white and tinted grounds is advanced by a bunch of THOROUGHLY WASHED samples in our Market street window display of these, representing all the various colorings of this

LOW-PRICED, FASHIONABLE AND FAST COLORED FABRIC.

THE CITY WATER BOARD.

In the Police Court.

In the police court yesterday Louis Bachellet's postponed case, for keeping a resort for prostitutes, was heard, and he was fined \$20 and costs. He again took an appeal. John Hahne was fined \$1 and costs as a plain drunk.

Heiny Fravel was put in by Officer Porter yesterday as a plain drunk.

Mr. Gruse not in it.

In the INTELLIGENCER's report yesterday of the county commissioners' vote on granting license to Mother Dunch to keep a saloon at Fulton, Mr. Gruse was credited with having said for it. As Mr. Gruse is not a member of the board, he naturally pleads not guilty. Mr. Irwin's name should have appeared in the list, instead of Mr. Gruse's.

There are More Than One.

In the INTELLIGENCER's Martin's Ferry item yesterday it was said that the late George Anderson was the only surviving veteran of the Mexican war in Belmont county. This was all wrong. There are probably several others, and at least one, in the person of Sam Martin, of Bridgeport, who fought bravely in every battle from Vera Cruz to the City of Mexico, and is still alive and hearty and a "spring chicken" at that.

Licensed to Wed.

Clerk Hook yesterday issued marriage licenses to the following named persons:

Ferdinand Sevier, aged twenty-five, a widower, and Christina Kreiger, aged twenty-seven, both of this city.
Albert Mulby, aged thirty, a widower, of Columbus, O., and Lizzie Shepperd, aged twenty-seven, a widow, of Wellsville.

George B. Arnold and Emma Dusch, both of Wheeling.

Now in Alaskan Waters.

Cadet John Doddridge, since his last letters, printed in the INTELLIGENCER, has been in and about Hawaiian waters, but was a few months ago transferred from the Philadelphia to the Adams, when he was promoted to assistant navigator. Yet more recently he has been transferred at his own request to the Mohican, where he fills a command not usually assigned to a cadet, and is now with the Mohican in Alaskan waters doing duty with the fleet employed by the United States in watching the seal and other interests of Uncle Sam in Bering Sea.

Supposed Robbers Caught.

Recently Milligan's store, at Bristoria, Greene county, Pa., was broken open and robbed of jewelry, postage stamps and other articles of value. There were six of the thieves, and they were chased through the woods all night and one of them caught the next morning. The others got away. Yesterday five men answering their description were captured in Wellsville, and they had in their possession just such goods as had been stolen. They said they were with a circus which had stranded at St. Clairsville, but that story was not true. They were held for identification.

The Park Casino Opening.

All work was finished on the Park Casino last evening, and the handsome structure was put in the hands of the decorators. By to-night everything will be in readiness for the opening.

Roland Reed and company will arrive to-morrow afternoon in time for rehearsal.

A few good seats can be had at C. A. House's music store for the performance of "The Woman Hater" and "Land Me Your Wife."

In order to attend the outing to-morrow in comfort, it is advisable to go early and secure motor tickets before the rush begins.

Delegates to Fairmont.

At a meeting of the Republican club of McMechen, held Monday, Hon. S. H. Hanc, Dr. M. A. Dowler, W. C. Hilliard, W. E. Porterfield and J. L. McMechen were chosen as delegates, and A. J. Reynolds, J. N. Clayton, E. Keller, A. D. Nicholson and L. N. Whitlatch as alternates, to the Republican League meeting at Fairmont, June 19.

THE ELM GROVE CLUB.

The Young Men's Republican Club of Elm Grove had a large meeting last evening and elected the following delegates to the League convention at Fairmont: T. J. Hague, G. B. Lawhon, J. C. Brady, George W. Hand and George Wise.

Each man is authorized to select his own alternate in case he cannot attend. The Philadelphia district club will call a meeting for next week to elect delegates.

TO BLOW UP A TIPPLE.

An Attempt to Wreck the Chute at Yokum's Mine.

THE FIRST LAWLESSNESS IN TOWN

Failed to Accomplish its Purpose. A Coal Works in Operation in East Wheeling Endangered by the Act of some Unknown Persons, not Believed to be Miners—Police Protection Asked for by the Operators.

Yesterday morning it was discovered that the night before an attempt had been made to blow up the tipple at Yokum Brothers' coal bank, across the creek near the Central glass works. This mine has been running in part ever since the miners' general strike began, but the only men engaged in digging coal in it were the three Yokum brothers themselves. When the strike was ordered their miners quit with the most amicable understanding that however it was settled they were to go back at the general terms. The mine supplied the city electric light plant with coal, and the three brothers have managed to keep the plant supplied with fuel. There has been no objection made to this method of working, and no feeling was known to exist on the part of the miners.

Yesterday a quantity of powder, mixed with greasy waste and other inflammable materials, and connected with a fuse which had been lighted, but had gone out, was found beneath the tipple. It is not believed the miners had any connection with the evident attempt to destroy the chute.

The Messrs Yokum applied to Chief of Police McNicol for police protection. There is a clue to the guilty parties. Hereafter a watch will be kept on the place by the East Wheeling officers.

THE CONGRESSIONAL CONTEST

In the District Over the River as It Seems to Shape Up.

Col. Poorman is grieved at the article in the INTELLIGENCER the other day summing up the result of the congressional primaries in Belmont county and says it was not fair, but the Colonel was disappointed and jumped at this conclusion. The summing up of the result was given as correctly as it was possible to give it without the details at hand. Capt. Danford was credited with from 39 to 41 of the delegates elected and Col. Poorman with the balance of the sixty-six votes. The official result gives Danford 39 and Poorman 27. The conclusion drawn was based upon the Colonel's own written announcement of his candidacy, in which he said: "I have no desire to make an aggressive district contest unless I am the choice of the Republicans of my own county." Another paragraph of his announcement says: "Belmont county as an entirety will be entitled to sixty-six delegates in that convention. A majority of the Republicans of the county have a right to select those delegates and say who they shall vote for, and their wish ought to be respected, and I pledge myself, and my friends so far as I can influence them, to a cordial support of any candidate thus indicated." Based upon these written statements over the colonel's own signature the INTELLIGENCER regarded the contest in Belmont as settled and so treated it.

Colonel Poorman in his own paper announces that Captain Danford has a majority of the delegates. Taking all these things there seems to be no room to question the statements or conclusions of the INTELLIGENCER on Monday.

Miller Sent to Jail.

William Miller, who was arrested Monday on suspicion of having stolen a telescope he had in his possession, was yesterday fined by Squire Gillespy for carrying a razor. It was found that the telescope, two razors which Miller carried and a dollar in silver coin had been stolen at Cillie's. The people who lost them will be down to-day to swear out warrants for larceny.

The Ladies.

The pleasant effect and perfect safety with which ladies may use the California liquid laxative, Syrup of Figs, under all conditions, makes it their favorite remedy. To get the true and genuine article, look for the name of the California Fig Syrup Co., printed near the bottom of the package.

SURGICAL INSTRUMENTS, Crutches and Trusses at E. BOCKING'S PHARMACY.

THINK IT STRANGE—THE HUB CLOTHIERS.

Think it Strange

That good quality Clothes can be sold for

\$8, \$10, \$12, \$15?

It's not near as strange as thinking that good tailor made-to-order Clothes can be sold for those prices. Nearly all the expense is put into the cloth in our Clothes; making up so many suits at one time divide the expense for making each one into very small fractions, yet the result is just as good as if a week had been spent on them. A mistake in cutting isn't possible, therefore, no patching is necessary to make them fit. Taking all in all, it's a great deal to your advantage to wear readymade Clothes, especially the HUB kind. Our \$10, \$12 and \$15 Suits are keys to all our prices and qualities. Some of the most tastily dressed men in Wheeling have judged their quality, style and fit good enough to find them prominent places in their wardrobes. See them for your own good.

OUR GUARANTEE.

Whatever you get here that isn't fully up to your expectations, bring it back and get your money. We don't say this for effect, we mean it. You buy in good faith, we sell in good faith, and that mutual confidence shall be maintained, no matter at what cost.
